

Clic-it Cymru is an e-newspaper for children in Wales, published on HWB every half-term. It is also published in Welsh under the name ‘**Y Cliciadur**’. In every issue there are topical articles about issues in Wales and the rest of the world, as well as regular articles about the Arts, Science, History and Sports and about interesting children and people living or working in Wales. There is also an original story and instructions for craft in each issue.

ISSUE 12 INDEX

By clicking the ‘Archive’ button on the bottom left of each issue you can access all back issues. There is also an Index with every issue with a list of its articles.
