Our calendar has arrived!

Our Eco-Schools 'Get out on your bike!' calendar competition has been a huge success and we have a fantastic calendar to share with you all!

Calendars are available from each classroom and from the school office. You can pay using parent pay by selecting the calendar option or by cash if necessary.

Calendars are £6 each and proceeds will be used to further support our school.

Calendars have been isolated for 72 hours and can be sent home with your child at the end of a school day.

As winter approaches, it is getting colder around the school, due to doors and windows being open for ventilation. If the children would like to, they are welcome to wear an extra layer under their sweatshirt to keep them warm.

PARENT GOVERNOR RESULT

Dear Parents/Carers,

I am writing to inform you of the results of our recent Parent Governor election.

Firstly, I would like to thank those who showed an interest in joining the governing body and I am pleased that we had two strong candidates up for the position. I would like to congratulate Mrs Clare Hart who won the election. Mrs Hart will join the governing body in January 2021. I would also like to express my thanks to Mr Aaron Haggas for standing for this position.

We as a school always value parental input and are always thankful for it. Please do not hesitate to contact me if you have anything you would like to raise.

I would like to thank you all for your continued support to the school. It has not been an easy year this year. I am sure you will agree we have all been in the same storm, just in different boats. Please stay safe and well over the Christmas period and we look forward to seeing you all again in 2021.

Merry Christmas and a Happy New Year!
Diolch,
James Lusted
