INFANT CAR PARK—SAFETY REMINDER

Please do not use the infant car park to try to collect your child, or as a walk-through to get to the infant office. This is a very busy area for staff cars, vans and deliveries which are moving in and out of the area throughout the day.

Several children and adults with dogs have been seen in the car park when staff have been driving in to it—this is an accident waiting to happen and a safeguarding issue.

Please use the safe pathways around the school instead.

Ysgol Goedwig - Forest School

Blwyddyn 4

All groups played a few rounds of Scatter. They are very good at playing it now and will develop the game further when they are in year 5.

At one point five children managed to hide and keep quiet in the mud kitchen!

The main focus year 4 had suggested previously was having more advanced Stick designs: some chose to make an "Ojo de Dios", using two sticks and wool and others designed dinosaur compounds.
