

Our topic in Nursery is People

Autumn term for our Nursery children marks a huge milestone in their life. An exciting time of many firsts and creating positive new routines for our young learners. The Nursery practitioners and I place a huge emphasis on establishing new friendships as well as providing a safe and warm environment where our children can flourish.

Our curriculum is filled with interactive and hands on experiences to allow the children to explore, develop independence and master those early learning skills. Through our topic of people, along with Autumn themes we have planned a fun filled time where we can really get to know our children and nurture their curiosity.

Mrs Jones

Dates we will be celebrating in school -remember to look on dojo and ask your children about these days.

13/9/25 Owain Glyndwr Day

Mathematical Development

Route count to 5 and 10

Order numbers to 5
