Message from Mrs Rowlands

Where did November go? It's been a busy but fun month with lots of singing and rehearsing for the Christmas concerts - Lwc da/good luck to all year groups in their upcoming concerts!

I have had lots of visits from children this week, coming to show me work that they (and their teachers) are proud of - this is the favourite part of my job and I hope this effort continues right up until Christmas. We have also 'revamped' our Stars celebration service on a Friday so photos will look a little different each week and will be shared on the whole school class dojo rather than individual class pages. I would also like to encourage your child to bring in any outside achievements to be celebrated during our Friday assembly, for example swimming badges/certificates, karate, football trophies, etc.

December is a busy month in school so please keep checking Dojo and the calendar attached for news of what is happening day to day. Please also keep that great bedtime routine, with no screen time before bed, so that the children are wide awake and ready to learn each day.

I look forward to seeing you all at the remaining Christmas concerts!

Criw Cymraeg

Criw Cymraeg have been working really hard on their correct pronouciation of each of the class names, and continue to watch and listen out for use of Welsh around our school. We are preparing an assembly in which we are going to share messages for why we should have learn Cymraeg.

School Council

The Junior School Council popped over to the infants to meet our Infant School Council to explain their role within our school. School Council also worked very hard to plan the Cupcake Sale for Children in Need. Across both sites they raised £955.61! They are now looking at the Children's Commissioner for Wales' Monthly Matters to gather opinions on the latest changes that affect young people in Wales.

Eco council

Eco council are currently preparing for a bid to win a competition held by Blue Turtle Group. The winning Eco-Themed ideas can win up to £5000! Our current plan involves planting trees around Rhos on Sea!

Your F.O.T.S

Our FOTS have been working so hard preparing for our Christmas Fair. Please contact Sarah or Josephine if you are happy to help: llandrillopta@gmail.com. It's going to be so exciting!! They have also sourced some amazing prizes for their Christmas raffle - tickets have been sent home and can be returned any time before Monday 15th December. Please support these events in whatever way you can as it raises much needed funds for the school.

Attendance and punctuality

Unfortunately we have been hit with a few significant illnesses which has had a negative impact on our overall attendance. Illness is unavoidable and we appreciate parent support in following policies and advice to avoid the spread of germs. Hopefully things will pick up again in the lead up to Christmas and we'll see an increase again.

Please remember that school starts at 8.55am; anyone arriving after this time must sign your child in at the main office.

Together, Everyone Achieves More
