

## Purple Mash

**What is Purple Mash?** Purple Mash is an online learning resource designed to be used by Primary aged children in the classroom and at home. Find out more here:

<https://2simple.com/parents>

- 1) Go to [www.purplemash.com/sch/ynrhos](http://www.purplemash.com/sch/ynrhos)

- 2) Type your username and password into the box (ask your class teacher for this information)

- 3) This is the page you will see when you log on.

A screenshot of the Purple Mash home page after logging in. The page has a purple header with navigation buttons: 'Home', '2Dos', 'Work', 'Sharing', and 'Alerts'. Below the header is a grid of activity tiles: 'Tools', 'Games', 'Mini Mash', 'Serial Mash', 'English', 'Mathematics', 'Science', 'Computing', 'Art', and 'Topics'. On the right side, there are two sidebars: 'Weekly Activities' and 'Parent Blog'. Red callout boxes with arrows point to specific features: one points to the 'Alerts' button, another to the 'Home' button, a third to the 'Tools' tile, and a fourth to the 'Parent Blog' sidebar.

You will find any new activities that your teacher has set for you here.

This is your Home button. When you go through activities on Purple Mash, you can click this button and it will bring you back to this page.

You will find all of the activities that your teacher has set for you

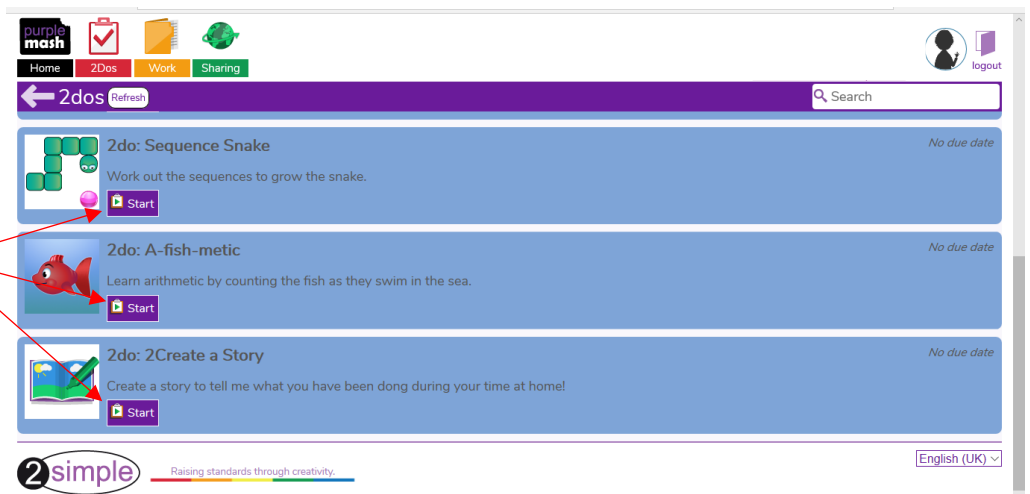

You will find all of the work that you have completed on Purple Mash here.

You will find 'Display Boards' here that your teacher has made to display your work.

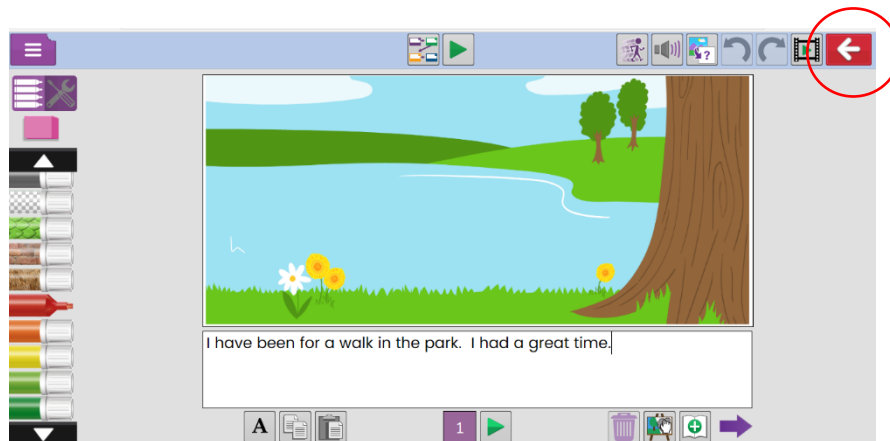

## Completing activities

1) Click on the 2Do button.

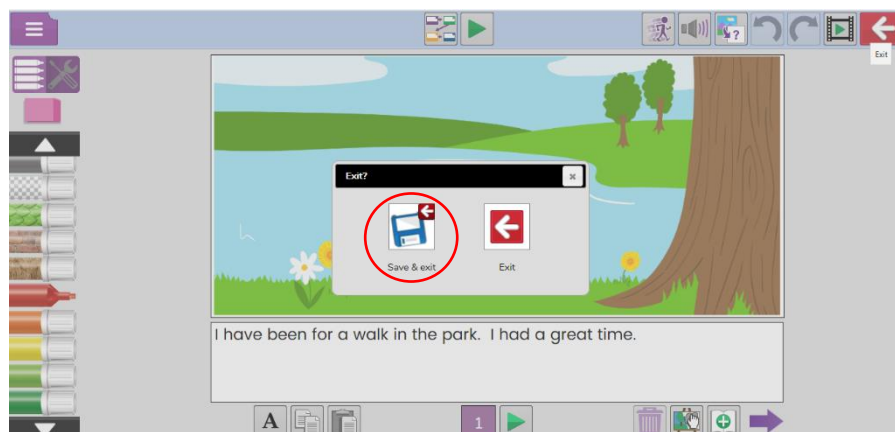

Click 'Start' on the activity you want to complete.  
(We are choosing the 2Create a Story).

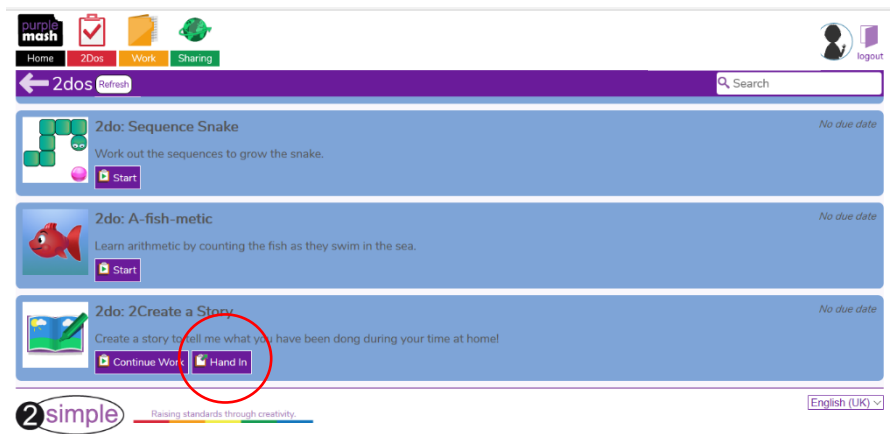

2) Complete the activity. When you have finished click on the arrow to 'Exit.'

3) If you want to save your work, you will need to click the 'Save & Exit' button.

- 4) When you look at your 2Do activities, you will see the activities that you have completed. If you have finished the activity, you can click 'Hand in' and this will send your work to your teacher to look at.

- 5) When you have handed in your work, your 2Do box will change colour.
