Together, Everyone Achieves More

Neges gan / Message from Mrs Rowlands

What a lovely sunny start to the Summer term. It's a short half term as we break up for half term on Friday 23rd May and there's a bank holiday Monday next week too! It's still a fun packed half term and the Summer is generally a busy term and a term in which we see your children make a lot of progress so we appreciate your continued support with homework, daily reading and TT Rock Stars! There are lots of trips coming up so please keep checking Dojo, the planner, our calendar and the school website for upcoming dates.

All of the year groups themes are linked to our whole school topic of 'Plants and Animals', with Nursery learning about Minibeasts, reception The Farm, year 1 Handa's surprise, year 2 Fforwyr Mor (Sea Explorers), year 3 Frozen Planet, year 4 The Snow Spider, year 5 Keep it healthy/Birds of Prey and year 6 Plants and Animals.

Please remember to provide your child with a fruit snack (or 20p for junior snack shop), a drink of water or watered down juice, a coat (the weather changes and we still go out when it rains!), a sun hat and suncream when necessary.

Criw Cymraeg

Criw Cymraeg are planning on a busy term in the lead up to the school assessment for the Silver Award in our Cymraeg Campus. We will be continuing to play games in Welsh on the yard to continue improving our spoken Welsh. KS2 Criw Cymraeg will be joining the Infants to teach them games where they enjoy using their Welsh outside the classroom.

Cyngor Ysgol

School Council have been working hard to help Mrs Hughes organise the Junior Careers Fair on Friday 16th May. Please see our Whole School Dojo story if you would like to sign up to participate.

Hwyl, Mrs Rowlands

Ysgol Eco

It's the most exciting term for our Eco council and they will be working hard planting and maintaining our growing areas. Fingers crossed for some beautiful weather!

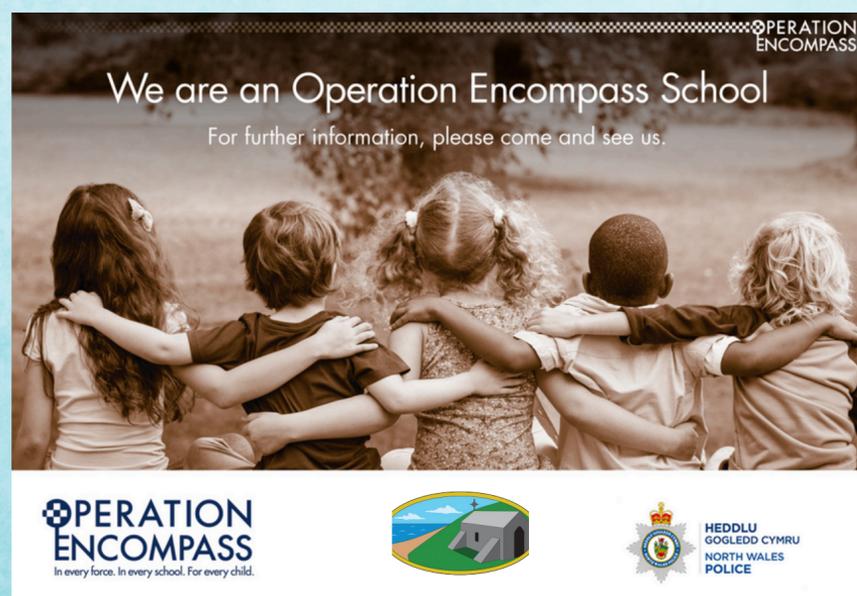

Attendance and Wellbeing

I have various roles within the school which include monitoring pupils' attendance, alongside Conwy Local Authority. Non-attendance will have an impact upon a child's academic attainment as well as missing out on developing peer relationships and the opportunity to learn new social skills. We therefore urge you to support us in ensuring that your child attends school regularly. Please ensure you contact the school office if your child is absent, for any reason. If you would like to discuss this, or any other issues which are preventing your child from attending school regularly, please contact me.

DID YOU KNOW.....

In conjunction with North Wales Police Ysgol Llandrillo Yn Rhos is part of a National initiative, known as 'Operation Encompass', to support children and young people who have been involved in or witness to a domestic incident. Operation Encompass aims for a school to be alerted of a child's exposure to domestic abuse as early as possible so to enable immediate support. This is a valuable initiative that means we can help and support our pupils and their families when they need us most. You can find out more information on the Encompass website - <https://www.operationencompass.org>
