Together, Everyone Achieves More

Neges gan / Message from Mrs Rowlands

Rydan ni wedi bod yn brysur - we have been so busy this month! We started with our World book day celebrations, then Comic Relief, FOTS movie nights, parents evenings, a cluster Eisteddfod, a year 6 visit to Nant BH and we finish the term with our fantastic Easter services at the United Reform Church - WOW!!!!

Many pupils have represented the school in various competitions this term, including netball, football, performing and singing. The pupils make us so proud when they enter these competitions. I would like to offer special thanks to the staff members who accompany the children to these events, which can be out of school hours.

Our community clean up was a success again and we achieved many jobs: Path ready to open, picnic benches painted, planters by the Hub building weeded, painted and bulbs planted, Low level tree branches in area by play trail were removed, bags of rubbish put in skip, weeds at front of site sprayed and the rusting noticeboard removed. The Governors and I are extremely grateful for all of your support and we hope for this to become an annual event.

Obviously the main headline for this news letter has to be our recent Estyn Report which was published this week. We are immensely proud of the whole school community and we will continue to work hard to provide the very best education for your children whilst also looking after their wellbeing and safety.

Two weeks holiday now and we will see you after the holiday on Monday 28th April ready for a fun filled Summer Term - and it really will be. Thank you to you all for your continued support.

Hwyl, Mrs Rowlands.

Eco council

Eco - Council have identified that the juniors are not eating enough of their school dinners and are creating over 15kg of food waste per day. So we are busy having a competition to see which class can waste the least food.

We are also looking forward to our platinum status inspection in May!

School Council

School Council worked very hard when our Estyn inspectors were in and represented our school brilliantly. They told them all about the wonderful opportunities they have to make Ysgol Llandrillo the best it can be. We are so proud of how passionately they spoke about their experience at our school.

We also stepped back in time to the 1980s as School Council organised our Comic Relief fundraising. We raised £224! We are very much looking forward to the Summer term where we can organise Llandrillo's Got Talent.

FOTS

We would like to thank all of the pupils who supported the Mother's Day sale - we raised in excess of £500!

We are looking for extra support to potentially hold a Christmas fayre. If you're interested in being apart of the working party please contact FOTS on Llandrillopta@gmail.com. Without extra support we will be unable to hold this event.

We are in the process of setting up a school lotto - watch this space! £407.17 was our total raised through easyfundraising.

Asda cashpot raised £642.46

The money we raise goes directly to the pupils - we will provide a summary at the end of the year for all of our expenditure.

Criw Cymraeg

Criw Cymraeg have continued to encourage greater use of Cymraeg on the playground using games and providing small rewards to individuals who are taking part. Criw Cymraeg in some KS2 year groups have also

talked about the importance of Welsh yard games with their teachers, and have been playing them in PE lessons. Criw Cymraeg are pleased that so many children have taken part in the many Eisteddfodau this term, which will be used as evidence for our Cymraeg Campus Silver award status which will be assessed in the Summer term.
