

Message from Mrs Rowlands

What a wonderful end to the Autumn term! Wonderful performances from every year group and so many Christmas experiences for the children. I would like to thank you all for your support in the numerous activities and in helping us to provide the best opportunities for the children.

Your children have made me extremely proud during the term, with their excellent effort in learning, their use of our school values and the positive attitudes they display. They all deserve a good rest over the holidays and some lovely family time before returning to school on Tuesday January 6th 2026.

I would like to wish you and your families a wonderful Christmas and a happy new year!  
Nadolig llawen a blwyddyn newydd dda i chi gyd!

School Council

School Council have been meeting to discuss the Monthly Matters from the Children's Commissioner for Wales. This month's matter was about learning about religions, values and beliefs in our schools and ways that it works well as well as ways to improve it. They have also started working on posters to tell all of the children about cheap bus travel in Wales for young people. Did you know it is only £1 for a single journey and £3 for an all day ticket?! We couldn't believe it either!

Criw Cymraeg

The Criw Cymraeg have shared a phrase of the week every single week which is developing the amount of Welsh language being used around school. They have all grown in confidence and have taken their responsibilities very seriously - well done Criw Cymraeg!

Eco Council

Eco Council have identified that we create a lot of food waste as a school. So in January, we will be working with Mrs Reynolds to help encourage everyone to create less food waste.
