Neges gan / Message from Mrs Rowlands

Rydan ni wedi bod yn brysur mis yma – we have been so busy this month! World Book Day celebrations, Comic Relief, FOTS movie nights, Mother's Day stalls, parents' evenings, a Year 6 visit to Nant BH, and we finish the term with our fantastic Easter services – WOW!!!!

Many pupils have represented the school in various competitions this term, including netball, football, performing and singing. The pupils make us so proud when they enter these competitions.

I would like to offer special thanks to the staff members who organise these events and those who accompany the children, which can be out of school hours.

I wish you all a wonderful Easter and I hope you have the opportunity for some much-needed family time and rest.

Pasg hapus i bawb!

Hwyl,
Mrs Rowlands

Criw Cymraeg

Criw Cymraeg have been working hard to support the competitors who have taken part in the various Eisteddfodau this term. We have worked alongside visitors to our school to give feedback on performances and are proud to see a growing confidence in the use of Cymraeg in our school.

After Easter, our juniors will be performing in our Cluster Eisteddfod – pob lwc i bawb!

FOTS

We would like to thank all of the pupils who supported the Mother's Day sale – we raised in excess of £500!

We have provided each class with some money for them to upgrade their classroom resources. We can't wait to see what they spend it on!

After Easter, we will be launching our Amazon wishlist. This was a suggestion from parents that we thought was a nice idea for those who wish to contribute to school resources.

School Council

School Council are thrilled to have raised £335 for Comic Relief by having a Crazy Hair Day to celebrate Red Nose Day.

It was so much fun judging the best design for this year's "Design-Yer Red Nose". Every red nose was fabulous. Congratulations to Beau, Camille, Freddie and Emily for the winning designs!

Eco Council

Eco Council have been busy in the dining hall over the past four weeks. Our councillors have been giving high fives and big "well dones" to people who are eating all of their dinner.

It is really important to support our planet by not wasting food. Every time someone clears their plate, we keep a record of which class they are in. The class with the most clear plates wins our Eco Trophy for the week!

Together, Everyone Achieves More
