

Our school theme this term is Places
In Year 6 we will be focusing on...

&

Welcome back

Our whole school theme this term is 'Plants & Animals'. In Year 6, during the Summer term we will be learning about Plants and how they contribute to our planet's ecosystems. Please remember to check class stories for important messages and announcements as well as keeping up to date with what we have been doing in class during the week.

Thank you for your ongoing support,

Mr Eames-Hughes and Mr Painter

Science and Technology

We will be learning about the parts of a plant and the process of photosynthesis. We will also be exploring animals and their adaptations to their habitats.

Expressive Arts

We will be developing our sketching skills, linked to a literacy unit about rewilding wolves. We will also be making masks.

Humanities

In RVE, we will be learning out our wider local area of Conwy county, mapping the counties of Wales and considering the interesting places we have in our county.

Mathematical Development

In mathematics this term the children will explore statistics and data. We will be exploring graph work, collecting data and presenting it. We will also be learning about area and perimeter fractions and practising as well as refining our basic skills. Please ensure children are practising their times tables.

Health and Well being

In PE the children will be doing bowls! This term, outdoor PE will be athletics in preparation for Sports for All Day. We will also be exploring Relationships and Sex Education and transition work for high school.

Literacy, Language and Communication

In Literacy, we will be writing poetry related to our dream careers. We will also be learning how to discuss our leisure time in Welsh. We will be looking at the book, Land of Neverbelieve and explore our imagination.

Homework

We will continue to set homework each Friday. We will try to pick homework that builds on what we have been doing in class or helps prepare the children for the week ahead. Please ensure your child completes the homework each week in preparation for the demands that high school will bring.
